STYLISH ASSISTED RECLINE TILT CHAIR

# 520

## ASSISTED RECLINE TILT EXAM CHAIR

### Ergonomic Features

- Detached footswitch for hands-free raising/lowering.
- Large padded headrest keeps patients comfortable while reclined.
- Upholstered armrests rotate up to allow patients to move in and out from either chair side.
- Dual-rotation locks allow you to rotate chair 360° from a single position.
- Large hinged footrest supports patient's full weight, and folds away to save space.

### Effortless Recline to 40°

- A manual recline bar, easily accessible from both sides of the chair, controls the assisted tilt of the chair up to 40°.

### Power Hydraulic Base Boosts Efficiency

- The 520 chair's corded footswitch allows you to raise and lower the patient while maintaining contact.

### Finishes and Upholstery

- Hand-sewn upholstery covers high-density foam that lasts for years.
- Removable cushions for easy cleaning or replacement.
- Base available in #20 Pearl.
- All materials are fire retardant.
- Choose from 13 standard vinyl colours and many custom selections.
